

INVITATION

PEACEDAY 2021

Intergenerational Assembly

On the occasion of World Peace Day 2020, and the 75th Anniversary of the United Nations, Youth from almost 100 cities worldwide, gathered online, to discuss imminent and impending global issues that threaten our livelihoods and our very existence.

We, the delegates, find it vital to continue the dialogue, and we are delighted to announce that the Global Youth Assembly will reconvene in connection with Peace Day 2021.

In the Declaration on the commemoration of the seventy-fifth anniversary of the United Nations the world leaders have expressed their readiness to listen to and work with youth. As stated in paragraph 17:

“For too long, the voices of youth have been sidelined in discussions about their future. This has to change now through meaningful engagement with youth”.

Taking this uplifting promise into account, we hope and trust that you will accept this invitation and join us, as we gather to strengthen the forces of collaboration and co-creation around the world.

Peace Day 2021 is a historic opportunity for a multilateral intergenerational meeting focusing on how can we collaborate across borders and generations to shape a future that works for all of humanity.

Faced with adversity, and the need for radical collaboration, we have stepped up to the challenge and we are prepared to shoulder the responsibility. With your willingness, our willpower, and a shared focus on innovative and disruptive solutions, we believe it will be possible to create meaningful change in the short time we have available.

We leave you with these words:

“I have spread my dreams under your feet; Tread softly because you tread on my dreams.” - W. B. Yeats
